Only one vote per person for categories in each of the three sections; one lucky voter will receive \$250 in cash from The State Journal and you will be helping support our business and staff!

To be eligible, all entries must contain name, telephone number and email address. Votes must clearly identify who or what is being nominated and fit into the appropriate category. You must include the company's complete name and/or location, particularly if it's a division or franchise. In addition, one establishment cannot be nominated for more than three ballot categories per ballot. Limit one entry per person/email address during each Entry Period. A random number of ballots, based on the amount received, will be verified.
