

# Salon de Sol

Tanning | Hair | Nails

May 14, 2021

Dear Salon de Sol Family,

Based on **Executive Order 2021-326** signed May 13<sup>th</sup>, 2021, and effective immediately and until otherwise directed Salon de Sol shall:

- remove our posted mandated mask requirement for entering our business;
- implement a **mask recommendation** for those entering our business to which a mask requirement may apply based on current federal, state, and local guidelines;
- continue to implement and follow the Kentucky Health at Work Minimum Requirements for All Entities;
- continue to implement and follow the Requirements for Cosmetologists, Hair Salons, and Nail Salons as designated by the Kentucky Board of Cosmetology;
- continue to implement and follow the Requirements for Tanning Salons as designated by Kentucky Healthy at Work.

Due to the sensitive and confidential nature of this issue, our staff and independent contractors **will not question nor enforce any mask requirement** to any persons entering our business. We will operate under the honor system and assume that those that need a mask will wear one, and those that do not, will not. Please be aware that this applies to both customer and staff, as based on our understanding of posted guidance from federal, state, and local authorities and governing bodies.

If all things continue, *we expect to be able to operate at full capacity with no further restrictions starting June 11, 2021* per the latest update from the Commonwealth of Kentucky as announced during the press conference related to the listed Executive Order. More details will be posted closer to that date, and as we know more.

Please be patient with us as we work to update posted materials to reflect these changes.

We thank you for your continued support and understanding during this time and hope to see you soon. Should you have any questions, please feel free to reach out to me directly.

Respectfully,

**Missy Perkins, Owner**
